

# Sparrow Women's Hospital Association Life Membership

*The growth of Sparrow, from its beginning as Lansing's first hospital to the progressive regionally respected healthcare organization it is today, is due in great measure to the foresighted members of our community. Basic in this growth was the organization which we are inviting you to join today: the **Sparrow Women's Hospital Association.***

We encourage you to become a part of the Sparrow Women's Hospital Association through a life membership gift.

To become a Life Member, a one time tax deductible contribution is made to the Sparrow Women's Hospital Association in support of its Education Fund. The Fund supports nursing scholarships and continuing education for current Sparrow Nurses.

Life memberships are open to both men and women. Individual memberships are \$100 each, or couples may join together for \$150. Sparrow volunteers who are Life Members are exempt from paying annual dues to the Sparrow Women's Hospital Association.

## When you become a Life Member, you will:

- » Have your name placed on the *Life Membership* honor roll in the Annual Report.
- » Be welcome to attend the Association Annual Meeting and other special functions.

## Sparrow Women's Hospital Association Life Membership Registration Form

Please include me/us on the Association's Life Members' Honor Roll

Name \_\_\_\_\_

Address \_\_\_\_\_  
\_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Phone \_\_\_\_\_
